

Remote Learning

Dear Parent/Carer,

Firstly, I would like to take this opportunity to thank all the parents who replied to my letter regarding electronic devices and access to the internet. It has been really helpful to find out if any of our children will need extra support in the event of a bubble closure. I truly hope that this will not happen, but if it should, I would like to be fully prepared to ensure remote education can happen as quickly as possible for our pupils.

In the event of a bubble closure we are planning to use a blend of 'live online lessons' and pre-prepared learning content and activities. These lessons will be accessible to your child at home, via the online video platform Zoom and will be delivered by your child's class teacher or another teacher from our school/Trust. We have provided a summary on how this will work and some rules within the attached consent form. If you would like further details about this, please see the online lessons privacy notice available via the academy website.

I would be very grateful if you could read the information below carefully and complete the form overleaf to give your consent for your child to take part in our 'Zoom' lessons. I appreciate that some of you have already given consent when a similar letter was sent out before the holidays, but this form will also need to be completed and returned to school to ensure our records are up to date.

In the event of Zoom lessons being required, links to the lessons will be sent by e-mail and through Class Dojo. Please could you ensure that we hold a valid e-mail address and that you have access to the dojo site for this reason.

I would like to reiterate that this letter is simply part of our contingency planning and is not an indication of any potential bubble closures.

Please could all forms be returned to school by **Wednesday 18th November.**

If you have any questions or queries about this please do not hesitate to contact the school.

Many thanks

Mr C Parkinson
