Writing task

You are part of living history! One day, children in the future will learn about this as a topic in history lessons!

So ...

Over the next few weeks, your challenge is to create a time capsule of your time. You could even bury it in your garden for someone to discover! You could include:

- A poster telling everyone all about you.
- A diary of a typical day that shares how you feel.
- Interviews with members of your family, those with you and those who are missing you.
- Photographs of things you have been doing.
- Photographs from your daily walk showing what your home town is like now.
- Handprints of everyone who is in your house.

**Templates and ideas will be posted on Class Dojo throughout the next few weeks, to give you ideas.**

When you have collected all your work decorate or build a container to save everything in.

Don't forget to share your pieces of work or ideas on Class Dojo or Twitter @WillowGreenAcad
