		<p>Lesson 1: Adding decimals with the same number of decimal places</p> <ol style="list-style-type: none"> 1. Watch the video. 2. Complete the questions. 3. Check answers using the answer sheet. 	<p>Lesson 2: Subtracting decimals with the same number of decimal places</p> <ol style="list-style-type: none"> 1. Watch the video. 2. Complete the questions. <p>Check answers using the answer sheet.</p>	<p>Lesson 3: Adding decimals with a different number of decimal places</p> <ol style="list-style-type: none"> 1. Watch the video. 2. Complete the questions. 3. Check answers using the answer sheet.. 	<p>Lesson 4: Subtracting decimals with a different number of decimal places</p> <ol style="list-style-type: none"> 1. Watch the video. 2. Complete the questions. 3. Check answers using the answer sheet..

Weekly English Tasks

<p>This week's spellings</p>	<p>Match the <u>root word</u> to the correct prefix</p> <div style="display: flex; justify-content: space-around; align-items: flex-start;"> <div style="border: 1px solid black; border-radius: 15px; padding: 5px; background-color: #f0d0d0;"> <p style="text-align: center; margin: 0;"><u>Challenge 2</u></p> <p>in appear</p> <p>pre possible</p> <p>im fortune</p> <p>dis active</p> <p>mis occupy</p> </div> <div style="border: 1px solid black; border-radius: 15px; padding: 5px; background-color: #f0d0d0;"> <p style="text-align: center; margin: 0;"><u>Challenge 1</u></p> <p>sub pilot</p> <p>auto dote</p> <p>anti natural</p> <p>in marine</p> <p>un correct</p> </div> <div style="border: 1px solid black; border-radius: 15px; padding: 5px; background-color: #d0f0d0;"> <p style="text-align: center; margin: 0;"><u>Starter</u></p> <p>mis fold</p> <p>re like</p> <p>un match</p> <p>pre do</p> <p>dis view</p> </div> </div> <p>THINK: Do any have more than one answer?</p>
-------------------------------------	--

Year 5: Home-School Learning Menu

Reading task	<u>Can you complete all of this week's reading challenges?</u>			
	<u>20 Dojo points</u> if you share photos of each complete challenge!			
	Read a book while eating your favourite snack!	Read about a place you would like to visit. Remember websites count as reading!	Read a book, to a member of your family. Bonus points if you share your book with someone over the phone or by video call!	Read a book while lying on the grass.
<p>Remember you can use Oxford Owl to help you find some of the books.</p> <p>https://www.oxfordowl.co.uk/for-home/find-a-book/library-page</p>				

Music-Time for some fun!

Move it Monday	Think of some alternative lyrics and actions to sing and perform along to the song (nod head, twitch nose, knock knees etc.) How about more expressions and faces to pull at the end too? Send your ideas over on twitter or Dojos.	Song: https://www.youtube.com/watch?v=Uv3JjtQzvUc&feature=emb_title
Together on Tuesday	When you are separated from your friends and family, for whatever reason, it is just as important to show people that you care. Think of ways that you can do this, such as putting pictures up in the window for passers-by to see, keeping in touch by sending photos and messages to friends and family, or sharing artwork you have created or a new fact you have learnt.	Song: https://www.youtube.com/watch?v=iGUABWgeA1Q&feature=emb_title
Wellbeing Wednesday	Did you know? The world record for eating broccoli is nearly ½kg in 92 seconds, held by Tom 'Broccoli' Landers!	Song: https://www.youtube.com/watch?v=qcXi7FI2T_o&feature=emb_title

Year 5: Home-School Learning Menu

Thinking Thursday	Can you find out the different sizes and colours of the planets and then cut out eight circles, decorate/colour them accordingly and label each with its name? Can you put them in the correct order from memory after singing the song?	Song: https://www.youtube.com/watch?v=zKuAGmgWzHk&feature=emb_title
Fun Friday	Watch our Spring Chicken dance video on YouTube and join in with the moves: www.youtube.com/watch?v=1mi0dN5a_r8 Share your moves on Twitter.	Song: https://www.youtube.com/watch?v=TKEwyLCKLwI&feature=emb_title

Topic Project Menu: These activities should be completed over a number of weeks and should be used to support your child's learning in other areas aside from Maths and Reading. You may wish to send in photographs or videos of this completed work through our school email address or by Class Dojo. You can also share your learning on Twitter.

	I like to explore	I like being creative	I like being kind and helpful	Time to get physical!
Strengthen your learning	Explore your garden. What bugs can you find? Can you sketch the bug and find out the name of it?	Research Henri Rousseau and create a drawing/painting of a rainforest in this style.	Make a snack or drink for a member of your family.	Help out with some gardening.
Deepen your learning	While visiting the rainforest you meet an old tree that can talk. What stories would it tell?	Describe your daily life as a gorilla in the rainforest.	Help with some chores in the house.	Create a circuit in the garden. See if you can get another family member to join in. How many laps can you do? Can you add another lap each day?
Take the challenge!	While exploring the rainforest you discover a new insect! What does it look like? How does it live it's life? What will you name it? Do you think it will have any medical benefit to the world.	Tell a story about boating on the Amazon River. What kind of plants and animals would you see? Are there any dangers? Who is with you?	Write an acrostic poem for someone in your family. Describe the things you like about this person.	www.dancenotes.co.uk/preview/TheRainforest.pdf Use the link above to take part in some rainforest dancing. Alternatively make up your own. Think about how the animals and plants move.
