Writing

You are part of living history! One day, children in the future will learn about this as a topic in history lessons! So ... Over the next few weeks your challenge is create a time capsule of your time. You could even bury it in your garden for someone to discover! You could include:

- A poster telling everyone all about you.
- A diary of a typical day that shares how you feel.
- Interviews with members of your family, those with you and those who are missing you.
- Photographs of things you have been doing.
- Photographs from your daily walk showing what your home time is like now.
- Handprints of everyone who is in your house.
- Templates and ideas will be posted on Class Dojo throughout the next few weeks, to give you ideas.

When you have collected all your work decorate or build a container to save everything in.

Don't forget to share your pieces of work or ideas on Class Dojo or Twitter @WillowGreenAcad

Added Challenges

How about setting yourself a challenge of earning a Blue Peter Badge from the comfort of your own home. There are many ways to get one, have a look and see if there's something spectacular you could do and be recognised!

## Year 4: Home-School Learning Menu

**Topic Project Menu:** These activities should be completed over a number of weeks and should be used to support your child's learning in other areas aside from Maths and English. We would love to see photographs or videos of this completed work through our school email address, by Class Dojo or on Twitter.

Follow us @WillowGreenAcad to share your photos and see other peoples.

	I like to explore	I like being creative	I like being kind and helpful	Time to get physical!
<b>Strengthen your learning</b>	What kinds of flowers and plants can you see outside? Can you take pictures of them?	Research the artist 'Wassily Kandinsky'. Particularly his 'circles' work. What do you notice? What colours are used?	Offer to do some jobs around the house. Can you record the jobs you do and how many times in the week you complete them?	Make an obstacle course in the garden for you and your family to complete. Time each other to see who is the quickest. Stay safe whilst doing this!
<b>Deepen your learning</b>	Can you draw and label the different parts of the flower?	Design and create your own 'Kandinsky' artwork. What shape will you use? What colours will you use?	Play a game together, be kind in taking turns and following the rules.	Join in with Cosmic Kids yoga on Youtube. There are lots of different ones to choose from.
<b>Take the challenge!</b>	Make your own flowers using everyday materials that you have available to you.	Write a short profile about Kandinsky. Don't forget to include some interesting information.	Design your own Quiz, then challenge the whole family to take part ☺	Film you and your family doing some yoga together.

### Time for some fun - music!

<b>Move it Monday</b>	Think of some alternative lyrics and actions to sing and perform along to the song (nod head, twitch nose, knock knees etc.) How about more expressions and faces to pull at the end too?  Send your ideas over on twitter or Dojos.	<b>Song:</b> <a href="https://www.youtube.com/watch?v=Uv3JjtQzvUc&amp;feature=emb_title">https://www.youtube.com/watch?v=Uv3JjtQzvUc&amp;feature=emb_title</a>
<b>Together on Tuesday</b>	When you are separated from your friends and family, for whatever reason, it is just as important to show people that you care. Think of ways that you can do this, such as putting pictures up in the window for passers-by to see, keeping in touch by sending photos and messages to friends and family, or sharing artwork you have created or a new fact you have learnt.	<b>Song:</b> <a href="https://www.youtube.com/watch?v=iGUABWqeA1Q&amp;feature=emb_title">https://www.youtube.com/watch?v=iGUABWqeA1Q&amp;feature=emb_title</a>
<b>Wellbeing Wednesday</b>	<b>Did you know?</b> The world record for eating broccoli is nearly ½kg in 92 seconds, held by Tom 'Broccoli' Landers!	<b>Song:</b> <a href="https://www.youtube.com/watch?v=gcXi7FI2T_o&amp;feature=emb_title">https://www.youtube.com/watch?v=gcXi7FI2T_o&amp;feature=emb_title</a>

## Year 4: Home-School Learning Menu

<b>Thinking Thursday</b>	Can you find out the different sizes and colours of the planets and then cut out eight circles, decorate/colour them accordingly and label each with its name? Can you put them in the correct order from memory after singing the song?	<b>Song:</b> <a href="https://www.youtube.com/watch?v=zKuAGmgWzHk&amp;feature=emb_title">https://www.youtube.com/watch?v=zKuAGmgWzHk&amp;feature=emb_title</a>
<b>Fun Friday</b>	Watch our Spring Chicken dance video on YouTube and join in with the moves: <a href="http://www.youtube.com/watch?v=1mi0dN5a_r8">www.youtube.com/watch?v=1mi0dN5a_r8</a> Share your moves on Twitter.	<b>Song:</b> <a href="https://www.youtube.com/watch?v=TKEwyLCKLwI&amp;feature=emb_title">https://www.youtube.com/watch?v=TKEwyLCKLwI&amp;feature=emb_title</a>
