### Writing task

You are part of living history! One day, children in the future will learn about this as a topic in history lessons!

So ...

Over the next few weeks, your challenge is to create a time capsule of your time. You could even bury it in your garden for someone to discover! You could include:

- A poster telling everyone all about you.
- A diary of a typical day that shares how you feel.
- Interviews with members of your family, those with you and those who are missing you.
- Photographs of things you have been doing.
- Photographs from your daily walk showing what your hometown is like now.
- Handprints of everyone who is in your house.

**Templates and ideas will be posted on Class Dojo throughout the next few weeks, to give you ideas.**

When you have collected all your work decorate or build a container to save everything in.

**Don't forget to share your pieces of work or ideas on Class Dojo or Twitter @WillowGreenAcad**

## Year 6: Home-School Learning Menu

	I like to explore	I like being creative	I like being kind and helpful	Time to get physical
<b>Strengthen your learning</b>  <b>Complete all 4 challenges to earn 50 Dojo Points!</b>	Discover a nice walk in your local area following a public bridleway across a field for example or walking alongside the river.  <b>Remember to always have adult supervision!</b>	Find a piece of old furniture that could be 'upcycled'. For example, a garden bench might be looking a little sad! Could you give it a lick of paint?	Clear out unwanted clothes or games that could be donated to charity.	Captain Tom Moore walked a hundred laps of his garden to raise millions of pounds for the NHS. How long would 100 laps of your garden take you? How about if you had to hop!

### Music-Time for some fun!

<b>Move it Monday</b>	Think of some alternative lyrics and actions to sing and perform along to the song (nod head, twitch nose, knock knees etc.) How about more expressions and faces to pull at the end too?  Send your ideas over on twitter or Dojos.	<b>Song:</b> <a href="https://www.youtube.com/watch?v=Uv3JjtQzvUc&amp;feature=emb_title">https://www.youtube.com/watch?v=Uv3JjtQzvUc&amp;feature=emb_title</a>
<b>Together on Tuesday</b>	When you are separated from your friends and family, for whatever reason, it is just as important to show people that you care. Think of ways that you can do this, such as putting pictures up in the window for passers-by to see, keeping in touch by sending photos and messages to friends and family, or sharing artwork you have created or a new fact you have learnt.	<b>Song:</b> <a href="https://www.youtube.com/watch?v=iGUABWgeA1Q&amp;feature=emb_title">https://www.youtube.com/watch?v=iGUABWgeA1Q&amp;feature=emb_title</a>
<b>Wellbeing Wednesday</b>	<b>Did you know?</b> The world record for eating broccoli is nearly ½kg in 92 seconds, held by Tom 'Broccoli' Landers!	<b>Song:</b> <a href="https://www.youtube.com/watch?v=qcXi7FI2T_o&amp;feature=emb_title">https://www.youtube.com/watch?v=qcXi7FI2T_o&amp;feature=emb_title</a>
<b>Thinking Thursday</b>	Can you find out the different sizes and colours of the planets and then cut out eight circles, decorate/colour them accordingly and label each with its name? Can you put them in the correct order from memory after singing the song?	<b>Song:</b> <a href="https://www.youtube.com/watch?v=zKuAGmgWzHk&amp;feature=emb_title">https://www.youtube.com/watch?v=zKuAGmgWzHk&amp;feature=emb_title</a>

### E-Safety Awareness

It is likely you are using technology much more because of the lockdown and with that in mind, it may be worth taking a moment to visit the follow websites.

<http://www.internetmatters.org/>

<https://www.saferinternet.org.uk/advice-centre/parents-and-carers>

Both sites can help to make the best use of tech during these challenging times.
