

Parent Questionnaire

Dear Parents and Carers,

As we come to the end of the first week I feel it is really import to understand how you, as parents, have found the reopening of Willow Green. As you have already seen, we have reviewed and amended processes over the past few days to ensure pick-up and drop-off times are as safe and efficient as possible. This process remains under constant review and we appreciate your support and feedback.

Please could you complete this short questionnaire and return it on arrival tomorrow morning. As always, I will be at the front of school and you will be able to post your responses into a secure box.
