Dear Parents and Carers,

It is now a requirement for all schools to have provision for home learning in the event of a partial or full school closure.

After the success of the zoom lessons and the online learning menus that were posted weekly on our school website we would like to continue to use these resources if groups are forced to self-isolate.

Please complete the slip below so we are able to see what alternative provision is needed should this be required and post it in to the clearly marked reply box by Thursday 15th October.

Thank you for your continued support.

Kind regards,

Mr Parkinson

Head of Academy
