

Monday 26th April 2021

Dear Parents and Carers,

Parent Consultations

(Reception – Y6)

I just wanted to update you on our plans for parent consultations. I have had conversations with many parents recently about when these will take place as, understandably, you are keen to know how the children are progressing now that school is fully open.

In order to give our parents the most accurate and comprehensive information possible we will be holding our consultations during the first week of next half term on the evenings of the **8th and 9th of June**. As it stands, these conversations will be via phone call and there will be a booking form sent in due course.

By this time we will have more information about the progress and attainment of the children and feel as though we will be able to provide some clear and accurate information.

In addition to this, you will all receive a short progress, attendance and behaviour report on the last day of this half term - Friday **28th May** - which will help to form the basis of the parent consultations.

This year, the end of year reports will be sent home on **16th July**.

As always, if you have any questions about your child please continue to contact the class teacher via class dojo or alternatively please contact the school office on 01977 722487 or info@willowgreen.org.uk

Kind Regards

Mr C Parkinson
