

Tuesday 4th May 2021

Dear Parents and Carers,

Race for Life

We will be holding a Race for Life event at Willow Green on Friday 28th May, where hopefully everyone from Reception to Year 6 (staff included) will make their way around our race for life course.

We are sure that you are aware that the Race for Life raises much needed funds for Cancer research, and we hope that you will sponsor your child for the event as we hope to raise £1000. There will be a sponsorship form given to every child to record the names of all their sponsors, but we would ask that any money collected be paid directly through our online giving page by following the link below:

<https://fundraise.cancerresearchuk.org/page/willow-green-academy>

As the children will be taking part in a physical activity, we will be having a dress down on the 28th and would ask all the children to come to school in sports clothing and trainers.

We hope your child is as excited about the event as we are in school and thank you for your continued support.

Yours sincerely,

Mr Duncan

Assistant Principal

Sports Lead
